

# Licensed Nursing Assistant (LNA) Trainees – Paid Training Provided!

**Location:** *Vermont Care Facility*

**Position Type:** Full-Time

**Base Pay:** \$18.00/hr

**Night Shift Differential:** Additional \$2.00/hr

**Start Date:** *Immediately*

---

## Start Your Healthcare Career with Us!

Are you passionate about helping others and looking for a meaningful career in healthcare? We are seeking compassionate and dedicated individuals to join our team as **Licensed Nursing Assistant (LNA) Trainees**. No prior certification required — we provide **paid training** to help you launch your career!

---

## What We Offer:

- **Paid LNA Training Program**
  - **\$18/hour base pay**
  - **\$2/hour extra for night shifts**
  - **Full-time schedule with consistent hours**
  - **Health and Dental Insurance**
  - **Paid Time Off** after completion of training
- 

## Your Role:

As an LNA trainee, you will participate in a structured training program that prepares you for certification and a rewarding career as a **Licensed Nursing Assistant**. Once certified, you will support patients with daily care needs and contribute to a positive healthcare environment.

---

## Ideal Candidate:

- No prior experience needed — just a passion for patient care
- Reliable, empathetic, and a strong team player
- Willing to work night shifts (with extra pay!)
- Committed to completing the training program and joining our care team

---

## Ready to Make a Difference?

Start your healthcare career journey today! Apply now to begin paid training and take the first step toward a fulfilling career as a **Licensed Nursing Assistant**.
